

A scatter plot on a 5x5 grid. The x-axis and y-axis both range from 0 to 10. The plot shows two data series: red circles and blue circles. The red circles are clustered in the top-left and middle-left areas, while the blue circles are clustered in the bottom-left and middle-right areas. There is one red circle in the top-right area and one blue circle in the bottom-right area.
